MEMORANDUM FOR: Chief, Plans and Programs Staff, OL

SUBJECT : Long-Range Secure-Voice Requirements

REFERENCE : Multi-addressee memo fm D/L dtd 6 Feb 74,  
Subject: Communications Requirements for  
FY 1976 and Long-Range Secure-Voice Requirements

1. The long-range secure-voice requirements for RECD are as follows:

a. The current instrument (green line), located in the Office of the Chief, RECD/OL, servicing this division is adequate through 1975.

b. With the proposed reactivation of a new Building Planning Staff, and if fully staffed by the end of Fiscal Year 1975, it is estimated that one more secure-voice telephone would be required to serve this staff. The location of this staff is presently identified for Room 905 Ames Building.
